Dear Sir:

Arrangements have been made in Jacksonville whereby you can spring train in Wilder Park if you so desire. I was at the Recreation Board yesterday and saw some correspondence in connection with same so I naturally assume you are coming South.

If possible, I would like for the Red Caps to play you a game in Jacksonville while you are here. Please advise when you are ready for same and on what date you have open as the park dates are about all taken up during the month of April in Jacksonville.

A hurried reply will be appreciated.

Very truly yours,
